Mr. Editors:—In the fire at No. 39 Warren-street, an the morning of the 9th lust, our most valuable books and papers were exposed for 36 hours in one of Stearns & Marvin's Fire-Proof Safes.

We say fire proof, not because they are so labeled, but because we have so proved them. Our books and papers we have so proved them. Our books and papers came out uninjured, save the binding of the books, occasioned by steam.

Our store was fire stories above ground, and two siries below, occapied from cellar to garret. The intensity of the peat can be attested by any fireman we highered.
